

HKW ENGINEERING & TECHNOLOGY SDN. BHD announces to our valued customers a Price Increase in our KIT++ products Effective May 1, 2022.

In recent month, HKW ENGINEERING & TECHNOLOGY SDN. BHD has experienced, like all other manufacturers, significant cost increases associated with plastic resins, rubber and other raw materials. Equally costs on transport have increased significantly. All those costs have escalated to unprecedented levels. Given these increased costs, HKW ENGINEERING & TECHNOLOGY SDN. BHD will implement a price increase on all KIT++ product groups effective May 1, 2022.

HKW ENGINEERING & TECHNOLOGY SDN. BHD is looking forward for further cooperation and thanks you for being a valued brand KIT++ partner.
